I am a video editor focused on short-form and long-form content. I edit talking head videos, cinematic outdoor content, and informative social media videos using CapCut Pro for PC, Canva, and AI tools. I also use Pexels for copyright-free B-roll footage.

## Editing Skills

Jump Cut & Pacing

Motion Graphic

Smooth Zoom & Keyframes

Color Grading (HSL, Curves, Wheels)

Auto Captions & Motion Text

Chroma Key & Background Removal

A-Roll & B-Roll Storytelling

Sound Design & Noise Reduction

AI Tools (Text to Image / Video)

## Selected Works

## Short Form – YouTube Shorts

Informative talking head with hooks, captions, fast cuts, and retention-focused pacing.

[Watch Video](#)

## Long Form – YouTube

Talking head informative video with B-roll, motion graphics, and clean storytelling.
